### **July 5, 2020**

As I have said before, God works in mysterious ways. He was and still is at work in Sarah's life. God uses Robinson the preacher in her area, Janet (who is a widow and has 3 children) who has taken in Sarah and her 6 siblings, and me who has been studying with her and providing food to feed the children. Sarah and 3 others obeyed the gospel April 1st.

June 2nd Robinson said "It's wonderful day to receive 16 new souls to Christ. Acts 2:41. We baptized them in much water and we host them for Bible study."

June 3rd he said "I am so excited to see God working as many people believe in Christ and being baptized yesterday. It was a blessed and exciting day for us to see the founder of [Global Church](#) and his team believe the gospel and be baptized to join Christ's church. Acts 2:41-42....I found them when they were in fellowship...and taught them about Christ and His church. How beautiful it is to see them believing the word of God and starting new life with Christ."

July 3rd Robinson said "We were 18 in number and we used to meet in my room and when it gets hotter we used a shade. This is before God adds us 16 new souls and another 4 men that were baptized yesterday. We are now 38 Christian fellowship together every Sunday. This number cannot be in someone's room and we are using shade for assemble in worship time. Though we are meeting challenges with it raining a lot or some people do sit in the Sun."
